

CUB RESIDENT CAMP REGISTRATION FAQS

CONTACT INFORMATION:

For registration information or questions, contact the Camping Dept. at campingdept@seattlebsa.org or 206-725-0361

For camp facilities or camp staff questions, contact Camp Edward during the summer at campedward@earthlink.net or 360-568-2065

1. HOW DO I SIGN UP MY PACK FOR CUB RESIDENT CAMP?

Registrations are now completely online on our website seattlebsa.org. When you click on the **CUB RESIDENT CAMP REGISTRATION** link, you will be shown all session options. Find the session you want to attend. It will show how much space is left in your selected session. For important registration details, click on the word **More**.

When you first register, the system will ask for the number of Scouts and Adults. You will not need names at this point. We will open that option in the spring prior to camp.

Online registration will be available on the Cub Scout Camping and Camp Edward webpages on the Chief Seattle Council website seattlebsa.org.

2. CAN I HAVE MORE THAN ONE CONTACT PERSON IN MY RESERVATION?

Unfortunately, the Doubleknot system does not accommodate more than one contact person for each reservation. You can forward your email messages to the appropriate people in your pack, or you can notify the Camping Department if you need more than one contact person and we will manually try send them information.

3. DO PARTICIPANTS NEED TO BE BSA REGISTERED?

Yes, according to BSA rules, Cub Scouts attending resident camp must be registered. When we open up the roster option in the spring, you will need to include their BSA membership number.

4. IS THERE A PRICE REDUCTION FOR ATTENDING PART-TIME?

The cost for Cub Resident Camp is the same, whether a participant is there for the whole session or not.

5. WHEN DO WE ENTER OUR PARTICIPANT INFORMATION?

In the Spring prior to camp, we will notify your camp contact by email when participants names can be entered. You can also enter t-shirt sizes and Special Needs information at that time.

6. IS THERE A WAITLIST?

Yes, if your chosen session is full you can be placed on the waitlist. You will be notified if openings occur.

7. CAN I CHOOSE OUR CAMPSITE?

During the registration process you will have the option of requesting which campsite(s) your pack would like to be in. THIS IS A REQUEST ONLY. The camp staff assigns the campsites the week before your session. Your pack will be assigned together in the same campsite or split between more than one campsite if it is too large.

8. CAN I MAKE CHANGES TO MY RESERVATION?

You can log into your account at any time and change your campsite request, contact information, roster, (when that option become available in the spring), change your number of participants, or make a payment.

9. HOW DO WE PAY FOR CAMP?

To set up your reservation you will need a minimum \$20 per person deposit, which is nonrefundable if you cancel your reservation. Once the deposit is paid, the remaining payment will be split in half, with the first half due April 6 and the final balance due by June 8. You will receive automatic payment reminders a month ahead of each due date, recurring every 5 days.

If you drop participants before your final June 1 payment, the amount you paid for them, including the \$20 deposit, will be credited to your final balance.

However, be careful not to create a debit. Refunds are not automatic. To view our Refund Policy click [HERE](#).

Payments can be made online by logging into your account. You can pay by credit card, Pay Pal or E-Check, or you can mail in a check or Scout Bucks.

You will receive an automated email showing your payment, whether made online or mailed in.

10. HOW ARE SCOUT GIRLS ACCOMMODATED AT CAMP?

They will be in the same campsite with their pack or den and able to sleep in a cabin with other girls or with their parent in a tent. Restroom facilities feature private restrooms with showers.
