## Arriving at Camp

### Transportation

Transportation to Camp Edward is furnished by packs or families. Cub Scouts are to be transported only in regular passenger vehicles equipped with seat belts. Truck beds and trailers are for equipment only.

### Check In

Plan to arrive **WITH** your pack at Camp Edward parking lot between **9:00 and 10:00 am**. **Arriving together as a pack will expedite your check-in process.** Park all vehicles there. At the lot you will be met by a staff member who will serve as your guide. **PLEASE CHECK IN AT THE CAMP OFFICE BEFORE GOING TO YOUR CAMPSITE.** At check in make sure you have your medical forms and roster of participants ready. Any past due payments due must also be made at this time. After check-in, you will carry your gear from there to your campsite (less than 1/4 mile). Carts are available. **Only camp vehicles are allowed beyond the parking lot.**

Soon after arrival, your guide will lead a camp tour which will include turning in your completed roster of participants, medical forms, swim checks and getting to your campsite. You may be combined with another group at your campsite. Each campsite shares the same rotation schedule through the various camp program areas.

First day schedule:	8:00-9:00 am	Check in/medical forms reviewed
	10:00 am-Noon	Orientation, swim checks & camp tour
	12:15 pm	Camp Opening Ceremony
	12:20 pm	LUNCH
	1:15 pm	Leader's meeting/Cub quiet time
	2:00 pm	Program

### **T-Shirts**

T-shirts for adults and Scouts are included in the cost of camp and will be distributed at camp. To request your t-shirt sizes online, go to our website, [seattlebsa.org](http://seattlebsa.org)>Camping>Camp Edward.

### **Check Out**

Please plan to depart after breakfast on Sunday. On the last day of camp, make sure your campsite is clean and ready for the next session of campers. Return all supplies checked out from the camp. Your camp guide will make arrangements to have your campsite inspected.

### **Campsite Accommodations**

Camp attendees are assigned to campsites by the camp staff prior to arrival. Four campsites feature tents with platforms and canvas tops each sleeping 2. Four campsites have cabins with bunks for 8 people as well as tents. The bunks do not have sleeping pads. (Youth using upper bunk need to bring sleeping pad rather than mattress, which is too high for guard rail.) The cabins have electrical outlets but no lighting. Bring your flashlights.

According to the Guide to Safe Scouting, a Cub Scout may share a tent or cabin with other male youth or a tent with a parent. Same gendered adults may share a cabin. Youth and male adult campers may share a cabin if there are at least 4 youth and 2 adults. Married adult campers may share a tent.

## **Pets**

Leave your pets at home. Camp abounds with natural wildlife such as deer, birds and coyotes. For this reason pets are not allowed—not even pets that can be carried. **NO EXCEPTIONS.**

## **Internet & Phone**

The recently remodeled leaders' lounge features Wi-fi access with tables for your laptop and coffee available. Cell phone reception for some carriers is good in camp.

Visitors are welcome but reservations must be made in advance and meals purchased at the trading post.

## **Special Diets:**

The camp kitchen staff serves warm and nutritious meals for all participants. They will also attempt to meet common dietary needs. **Meals are available for vegetarian, gluten-free and peanut-free diets. See page 6 for our policy on peanut products in camp.** Specific dietary or physical requirements must be requested by completing and sending in the **Special Needs Form** to the Council office (located on our website, [seattlebsa.org](http://seattlebsa.org)) at least 2 weeks prior to camp. Refer to the sample menu.

## **Lost and Found**

Lost and found items are collected during regular camp sessions and off-season camp use. While at camp, lost items can be claimed at the camp office. **They are not kept at the Council service center.** After the week, call camp at 360-568-6295. If you attended the final session, call the Camp Ranger at the same camp number. After 30 days unclaimed items are contributed to Goodwill or other worthy agencies.

## **Trading Post**

The trading post provides a good selection of souvenir and comfort items for sale to Scouters, such as camp t-shirts, patches, mugs, flashlights, stamps, toothbrushes, soft drinks, snacks, craft projects and more. Plan to bring about **\$35** per Scout. An adult should act as banker, allowing Scouts to check money in and out with them. In order for a Scout to purchase a knife, he must, **without exception**:

- Be accompanied by a registered den or pack leader
- Possess a current signed Whittling Chip (Cub Scout, BSA)
- Demonstrate knife proficiency by safely handling the desire knife

**SCOUTS AND LEADERS ARE NOT ALLOWED TO SELL ITEMS TO SCOUTS AT CAMP.**

## **Leadership**

Remember the BSA minimum standard of two leaders on all trips and outings. Adult leaders are responsible for monitoring the behavior of youth Scout members. Two adult leaders, one who must be at 21 years old or older, are required (registered and youth protection trained).

For resident camp we recommend that there be 1 adult for every 5 Scouts. Units are strongly encouraged to bring more than the minimum leaders required. Parent and son pairs are also welcome. Tiger Cubs must be accompanied by a parent or guardian. No lone Scouts please.

**Consistency**: It is important that at least one of your pack leaders be there all four days. Otherwise your program will lack continuity. Much time is spent the first day at camp explaining the program, its operations and facilities. If key leaders change every day, they may not know what to expect.

**Discipline**: Discipline is the responsibility of pack leadership. The camp staff is available to assist, but not take over.

## **Staff Provides Help and Fun**

Every campsite will have a camp member as guide. They will help answer questions, direct your Scouts to the right place at the right time, describe program opportunities, and just be there to give assistance.

The staff at Camp Edward represents the greatest resource available to your Cub Scouts during their stay. They are selected from older Boy Scouts and Venturing Scouts primarily from the Chief Seattle Council. Their sole purpose is to help your pack have a successful camp experience.

## **Health Services and Medical Information**

### **Medical Form:**

ACCORDING TO BSA POLICY ALL PARTICIPANTS (SCOUTS AND ADULTS) MUST COMPLETE AN ANNUAL HEALTH & MEDICAL RECORD PARTS A & B. PART C IS HIGHLY RECOMMENDED. The form is available on the National BSA website at: <http://www.scouting.org/scoutsource/healthandsafety/ahmr.aspx>

**All medical forms brought to camp, will be kept by the health officer and will be returned to take home at the end of the session.**

Upon arrival at camp, the forms will be screened by the camp medical personnel and camper medications checked in.

### **Facilities:**

A fully-equipped medical lodge is provided at camp. A trained first aid professional is on duty at all times. Serious injuries or illness requiring hospitalization will be transported to the nearest hospital, where we have a standing agreement for treatment. Parents will be notified as soon as possible in the event of serious injury or illness.

### **Special Needs:**

Specific dietary or physical requirements must be requested by completing and sending in the **Special Needs Form** to the Council office (located on our website, [seattlebsa.org](http://seattlebsa.org)) at least 2 weeks prior to camp. For menu questions contact the camp at 206-568-6295 or [campedward@earthlink.net](mailto:campedward@earthlink.net), while camp is in session.

## **POLICY ON PEANUT PRODUCTS AT CAMP**

No peanut products, including peanut oil, will be used in the meals, snacks, cracker barrels, or any other food service provided in the dining halls of Chief Seattle Council camps.

**While this prohibition is in place in the dining halls, those with allergies must be aware that camp trading posts may contain some peanut products.** It is also important to note that peanut products may be brought to camp by individual Scouts or leaders without the knowledge of the camp staff or the Chief Seattle Council.

This policy applies to all Chief Seattle Council camps, and events held at council camps including, but not limited to, Cub Scout Resident Camp, Boy Scout Resident Camp, Cub Day at Camp, Mom & Me, Winter Camp, NYLT, Wood Badge, OA events, Shooting Sports Weekends, COPE Weekends, and Day Camp.

## **Important Camp Rules**

Camp rules include the Scout Law and common sense. Here are the details:

1. No Cub Scout is allowed to leave camp after check-in without a release from his parent or leader. He must be accompanied by an authorized adult while out of camp and must sign out at the camp office before departing.
2. Cut no trees. Do not disturb native flora and fauna.
3. Cub Scouts must stay out of other campsites and cabins unless invited. Off-limits areas include the ranger's home and yard, maintenance area, and staff quarters.
4. Please do not allow Scouts to play on the berms around the campsites.
5. All fires must be tended. A fire guard chart must be posted and followed. Campfires may be banned during very dry weather.
6. No flames of any kind in tents. All liquid fuels must be locked up. Liquid fuels must be used under adult supervision only.
7. No fireworks allowed in camp. Those with fireworks will be sent home.
8. No personal firearms, ammunition, bows or arrows.
9. No intoxicating beverages, marijuana or illegal drugs are allowed on Scout property. No smoking outside of designated areas. The only designated area is near the parking lot.
10. No dishwashing in the washstands or showerhouse. It clogs the drain fields.
11. Please leave your campsite, cabin and showerhouse area better than you found it.
12. Each campsite will assist with keeping the showerhouses clean.

Thank You!

## **Recycling**

Camp does not have recycling services at this time. Please consider developing your own campsite recycling program as an opportunity to practice Front Country Leave No Trace. Camp can provide bags to collect the recycling materials, but you would need to take them home to recycle.
