More About Camp

Located in the foothills of Cascade Range, Parent/Pal at Camp Pigott is a great experience at a premier outdoor facility. The camp is specifically designed to build confidence and outdoor skills in a fun and safe environment.

Throughout the day, scouts and parents will participate in archery, BB gun shooting, crafts, games, skit training, nature activity and outdoor learning. Between and after rotations, meals are served in the dining hall. The schedule also features a campfire and chapel service.

Accommodations

Camp Pigott features campsites with tents, stents (small cabins) and cabins with bunks that each sleep 8. Large cabins can accommodate all scouts, all moms or all dads.

Mom, dad, and son can share one tent or stent (small plywood cabin) if they'd like. Only immediate members of their family can share with Scout. Parent and child may share quarters and spouses can share quarters, but unmarried male and female adults may not share nor can adult and minor share if they aren't parent and child.

Electrical outlets are available in each cabin but no lights. Restrooms are located near the campsites.

New restrooms with individual showers are also centrally located and meals are served in a camp dining hall. The trading post will be open with camping supplies, souvenirs, healthy snacks, candy, pocket knives and other items.

Meals

The camp kitchen staff serves warm and nutritious meals for all participants. They will also attempt to meet common dietary needs. Meals are available for vegetarian and gluten-free diets. The dining hall is peanut free. See below for our policy on peanut products in camp. **Special Needs** forms need to be received at Council Service Center at least a week prior to your session.

POLICY ON PEANUT PRODUCTS AT CAMP

No peanut products, including peanut oil, will be used in the meals, snacks, cracker barrels, or any other food service provided in the dining halls of Chief Seattle Council camps.

While this prohibition is in place in the dining halls, those with allergies must be aware that camp trading posts may contain some peanut products. It is also important to note that peanut products may be brought to camp by individual Scouts or leaders without the knowledge of the camp staff or the Chief Seattle Council.

This policy applies to all Chief Seattle Council camps, and events held at council camps including, but not limited to, Cub Scout Resident Camp, Boy Scout Resident Camp, Cub Day at Camp, Parent/Pal, Winter Camp, NYLT, Wood Badge, OA events, Shooting Sports Weekends, COPE Weekends, and Day Camp.
