

# Boy Scout Shooting Sports

- Rifle
- Shotgun
- Archery
- Black Powder
- Slingshots
- Tomahawks

## Boy Scout & Venturing Shooting Sports Day at Camp Pigott

9:15 AM – 3:30 PM

Fee: \$30

Sat. March 25  
Sun. March 26  
Sat. Oct. 28  
Sun. Oct. 29

Gun safety is everyone's responsibility.

Scouting provides a great opportunity to teach young people how to safely handle and shoot firearms.

Target shooting is amongst the safest of all sports.

It's a Scout's dream! Spend the day practicing rifle, shotgun, archery, muzzleloading black powder rifles, slingshots, and tomahawk throwing at Camp Pigott. Sign up for a rifle or shotgun merit badge class, complete the shooting portion of the merit badge you started at summer camp, or just have fun shooting! Venture Crew members can shoot pistol or semi-automatic .22LR rifles. It's a vote with your feet day - spend your time where you want, there is no rotational schedule.

Compete to be a top shot by earning your NRA Winchester or Camp Pigott Archery Marksmanship awards. Are you a good enough shot to earn a sharpshooter or expert rating?

Check in begins at 9:15. **Please be on time** because a detailed safety session starts at 9:30 AM. Anyone not present for the beginning of the briefing will need to wait until an instructor is available to repeat the session.

Make it a troop camping outing. Contact [camppigott@earthlink.net](mailto:camppigott@earthlink.net) for camp site availability. This is a popular event with a limited number of spots each day, but you are welcome to register for as many different days as you would like.

Non-shooters are free and do not need to register. Both youth and adults can register and shoot. Register now at: <http://www.seattlebsa.org/new/event-registration>

Don't forget your sack lunch.
