Scouting for Food Overview: In March the Chief Seattle Council, Boy Scouts of America will conduct its annual Scouting for Food campaign. This important community service project is designed to fight hunger locally by helping to fill the shelves of neighborhood food banks at a time of year when needs are high, and supplies are low. During the last 30 years, this national program has collected millions of non-perishable food items for families in need. Our collaborative council goal is to collect 60,000 pounds. A second objective is to increase community awareness about hunger in Western Washington.

How does the Scouting for Food campaign work? Scouts will collect donated food items and deliver them to local food banks on Saturday, March 23, 2019.

Calendar

March 23	Pick up food contributions and deliver to local food bank. Weigh food items received and provide to district coordinator or District Executive.
