National Youth Leadership Training (NYLT)

supports your leadership path in Scouting. The training is peer to peer with other highly qualified youth staff and guided by adult advisors. This multi-day program will give you skills and experiences to help in your Scouting journey and in every day life.

You'll build stronger bonds and create memories to last a lifetime.

This learning experience is delivered in a troop and patrol outdoor setting with an emphasis on immediate application of learning in a fun environment. Participants from different units are arranged into patrols, by gender, to make new friends, exchange ideas, and travel through the stages of team building together. Teamwork is reinforced through activities, presentations, challenges, discussions and working together as patrols throughout the experience.

Cost: \$275 per attendee
