AUCTION RULES

General Rules

1. Each person will be given a bid number upon arrival. This number is your only means of identification; please keep it throughout the evening.

2. A signature or verbal bid during the auction constitutes a legal contract to buy. All sales are final and there will be no exchanges or refunds unless specified by the donor. In all cases of dispute, the decision of the Auction Committee is final.

3. The Auction Committee has attempted to clearly catalog and describe the items presented at the auction; however, all items are sold in an “as is” condition.

4. Values set on auction items are estimates only and are not warranted by the committee for tax purposes or general value.

5. Please pay attention to all conditions, restrictions and expiration dates on items and services. Except where noted by the donor; services, tickets, certificate items, etc., must be used within one year of the auction and must be scheduled at a time that is mutually agreeable to both donor and the winning bidder.

6. Items can be removed only by exhibiting a “paid” receipt from an auction cashier.

7. Payment by the winning bidder may be made one-half hour following the item’s sale or the amount owed may be charged to the bidder’s account for payment at the close of the evening’s auction proceedings. Payment may be made by cash, check, VISA, MasterCard, American Express or Discover. All items must be paid for the evening of the auction in order to take them home. Make checks payable to Chief Seattle Council, Boy Scouts of America.

8. Certificates and gift cards will not be replaced if lost or stolen. Certificates cannot be redeemed for cash. Typically they do not include tax, alcohol or gratuity. Please read carefully, noting expiration dates and restrictions.

Silent (Write-In) Auction

1. Write your bid number clearly on the sheet attached to each item. If an entry is not legible, the next lower legible entry will be used. Each new bid must be written on the top most blank line of the bid sheet.

2. The amount listed on the top of each bid sheet is the minimum bid for that item. Items can be bid up from that minimum bid by the increments noted on each bid sheet. A bidder must meet or exceed the minimum bid and must have bid up by the proper increment in order to win the item.

3. The first bidder to sign in their number in the Guaranteed Bid Space will automatically become the guaranteed purchaser of the item.

<td>Ivar's Cookbook</td>
<td>If Ivar's isn't a landmark, it ought to be. Serving local seafood-salmon, oysters, clams, halibut--for 75 years, it is one of the most successful restaurants in the Pacific Northwest. With their first cookbook, they serve up home-cooking recipes from the restaurant's extensive repertoire of seafood dishes. But what else would you expect from the folks whose motto is &quot;keep clam?&quot; Ivar's has a lively history of creative self-promotion, from their wild, giant dancing clams ads to their announced plan to introduce the iSpoon in 2015. The cookbook contains 60 of Ivar's best recipes, tantalizing photography, and a gathering of anecdotes and ephemera from three-quarters of a century of restaurant adventures, marketing feats and pranks, and dedication to serving its customers.</td>
