

Mt. Tahoma and Duwamish District Camporee COVID PLAN

Dear Parents, Campers, and Guest

We have worked hard to develop policies and procedures in order to host this year's Camporee. These procedures were create based on the Washington State Department of Health and Snohomish County Health Department recommendations. Please review the information below before arrival to camp.

Pre-Event Waiver:

All participants attending our event will be required to sign a waiver and upload via of the survey monkey understanding the risk associated with participation.

ARRIVAL & CHECK-IN PROCEDURES FOR STAFF

In the Dinning Hall see check procedures down below Friday before 6:00pm

ARRIVAL & CHECK-IN PROCEDURES FOR PARTICIPANTS

At the Dining Hall/ Parade Field 6:00pm to 9pm (Troops Coming Friday)

In the Dinning Hall around 8:00am (Troops for Saturday or late Friday)

Check In procedures

- Check in will be in the dining room plus parade field
- All participants will fill out the waiver form and upload via the survey monkey online
- All participants will need to provide a negative Covid Test or a vaccination card at time of check in
 - Either picture or physical copy
- Scoutmaster or main adult leader will come into the dining hall with prof of payment and final number
- Once final numbers and prof of payment we will ask for the Covid Test or vaccination card from each person in the group

PARTICIPANTS & GROUPS

1. All events will be reduced by 50% to allow for less exposure.
2. Every effort will be made to not have groups no larger than 22 participants.
3. All groups will be encouraged to practice physical distancing (6 feet) as much as possible.
4. Groups will not be combined at any time.
5. The schedule has been arranged as such that no group intermingles with one another. It also allows for 10 minutes between groups for program areas to sanitize before allowing the next one to enter.
6. At the end of the day, a deep clean/disinfection will be done in the following areas: restrooms, dining hall/ kitchen, and at all other high-contrast areas.

PROGRAM AREAS

Safety briefing will be performed in the camp sites by a staff member with groups appropriately distanced. Groups will be assigned to a camp site prior to camporee. Safety briefing will include all the same information discussed at check in regarding COVID-19 protocols.

All high-contrast areas will be sanitized prior to new group coming to the area.

Camporee Activities meeting social distancing requirements will include:

Archery-5 station each round.

BB Guns- 5 station each round

Scout skills

Egg Drop

Patrol Games

Scavenger hunt

CLEANING, DISINFECTING, AND VENTILATION

- Staff will be responsible for wiping down high contact areas.
- Other high contact areas such as door handles, railings and camporee equipment will be wiped down on regular basis.
- Chief Seattle Council will provide all cleaning chemicals based on recommendation from the Center for Disease Control and Prevention (CDC) and Environmental Protection Agency (EPA)

COMMUNICATIONS AND STAFF TRAINING

- Appropriate signage will be displayed in all areas of camp for hand washing, social distancing, and reminders of what to do if symptoms exist.
- Staff will have a mandatory training prior to having participants on site. Staff will be trained in health and safety protocols for our site, including how to screen for symptoms, handwashing, maintain physical distance, frequent cleaning, and what to do if someone develops signs of COVID-19.
- Camporee staff will follow the incident reporting tool required by the Scouts BSA in the event of incident.
- This document is provided to all staff members to understand their role in lessening the spread of COVID-19.
- Non mandatory training “Safety Short: Coronaviruses and COVID-19” can be found in the Boy Scout Training Academy.

EMERGENCY PROCEDURES

In the event a of a participant, staff member showing symptoms during the event:

- Individual will be quarantined in a pre-determined location until transportation to go home is available.
 - After individual has gone home the quarantined area will be vacated for at least 24 hours before cleaning.
- If participant or staff member is found to have COVID-19 and has been in close contact with other staff, Camporee will notify staff member while maintaining confidentiality as required by HIPAA.

- All staff and participants of Camporee will be notified if any participant or staff member is showing symptoms.
 - In the event a participant or staff member tests positive for COVID -19 all participants and staff will be contacted as soon as results are obtained.

If you have any questions, please contact the Camporee Leadership at camporeescoutmaster@gmail.com
