Look at the back for guidance

Planning and Budget Measures	
1	The troop has a program plan and budget that is reviewed at all troop committee meetings, and the troop follows BSA policies relating to fundraising and fiscal management as found on the Unit Money-Earning Application form and any other publication that the council has developed for fundraising and fiscal management. A meeting is held with youth leaders where they are involved in developing the plan for the next program year. The troop's program plan should be shared with the unit commissioner. Separate troops for males and females under the same chartered organization may have a shared unit committee. Committee meetings may be held remotely.
Membership Measures	
2	The troop has a growth plan to serve the diversity of our community and conducts a formal recruiting event. On December 31, 2021, the troop has an increase in the number of youth members as compared to the number registered on December 31, 2020. A membership growth plan template can be found at www.scouting.org/membership . The troop has an up-to-date pin on the "Be a Scout" website. Given current challenges, holding formal recruiting events may not be possible. Bronze may be achieved by developing and implementing a recruiting plan involving direct personal invitations for youth to join.
3	Number of youth members on the most recent charter renewal (A) divided by the number of youth registered at the end of the prior charter year (B) minus any age-outs (C). Total = (A) / (B-C). Age-outs are youth who are too old to reregister as Scouts. If the troop has a December charter, use the one expiring on December 31, 2020; otherwise use the one expiring during 2021.
4	Hold at least two activities with a pack or Webelos den, and recruit new Webelos Scouts into the troop. Den chiefs are provided to one or more Cub Scout dens. Virtual gatherings are acceptable.
Program Measures	
5	Total number of Scouts advancing at least one rank (Scout, Tenderfoot, Second Class, First Class, Star, Life, Eagle) during the calendar year (A), divided by the number of youth registered at the end of the year (B). Advancement = (A) / (B). The troop is encouraged to use Scoutbook to track each individual's advancements.
6	Conduct short-term (at least one overnight) campouts throughout the year.
7	Number of Scouts who attend any in-council or out-of-council long-term summer camp (of at least five nights), high-adventure experience, or jamboree, or serve on camp staff within the past year, divided by the Scout membership on June 30, 2021. Youth attending long-term specialty camps such as NYLT or STEM are also counted. Alternatives that spread the camping nights over multiple experiences may be included. Virtual alternatives are acceptable. These include virtual camping programs and other remote activities.
8	The troop participates in service projects during the year and enters them on the Service Hours website or through Scoutbook. The projects may be completed as joint projects with other organizations. At least one project must benefit the chartered organization. Service projects may include home-centered efforts providing they serve others outside the home.
9	The troop is separated into patrols and each patrol has an elected patrol leader. If the troop has more than one patrol, there is an elected senior patrol leader. If the troop has more than one patrol, the PLC meets at least four times each year. The troop holds patrol leader training each year, and youth have the opportunity to participate in advanced training. PLC meetings may be held remotely.
Volunteer Leadership Measures	
10	The troop has a Scoutmaster, an assistant, and a committee of at least three members. Ideally, the chartered organization representative should not be dual registered as one of the committee members. Separate troops for males and females under the same chartered organization may have a shared unit committee. The troop conducts courts of honor where youth are recognized and program plans are shared with parents. Courts of honors may be done remotely.
11	All leaders have completed youth protection training. Scoutmaster and 60% of the assistants have completed position-specific training or, if new, will complete within three months of joining. Two-thirds of active committee members (including chartered organization representative) have completed position-specific training. For Gold, one leader must have attended an advanced training course involving a total of 5 days or more, such as Wood Badge, Summit or Philmont Training Center, at some point in their Scouting tenure.
