Duty To God In Action

RATIONALE FOR ADVENTURE

Scouts are reverent. They are faithful in their religious/spiritual/energetic duties and respect the beliefs of others.

TAKE AWAY FOR CUB SCOUTS

- The BSA Statement of Religious Principle “maintains that no member can grow into the best kind of citizen without recognizing an obligation to God.” Which also translates into recognizing that which is larger and connected with them. (Energy, Nature, etc. included)
- This adventure provides Webelos Scouts an opportunity to learn about and practice their faith however they choose.
- A Scout is kind.

This can be the weeks requirements and lesson. It could be spread out and just given to families, but a connection could be made by families by allowing some additional Cub discussion or video of what they connect to and shared.

Upon completion of the Duty to God in Action adventure, your Webelos Scouts will have earned the adventure pin shown here. Webelos Handbook, page 140 COMPASS CHARACTER 90 ARROW OF LIGHT NOTES TO DEN LEADER:

For now:

A campout is an option for this adventure. The den meeting plans are written to prepare the den to participate in a campout. These meeting plans can be adjusted to meet the other option of an outdoor activity. This adventure may require the assistance of expert volunteers for the Leave

No Trace (LNT) training activities. At this time Leave no trace is easily done at home together or in a small group or buddy system.

Below is VERY important when we are released to the final stage of Covid.

The council or district can provide outdoor ethics training and other outdoor skills information; see if they host any special events to aid Webelos Scouts in this adventure. Confirm plans for the pack campout with families, including transportation, all the necessary clothing, and any additional items they need to bring. Make sure activity consent forms are distributed, signed, and collected. See the appendix for optional den meeting activities, including openings, gatherings, and closings. Webelos den overnight campouts are parent-child events, under the direction of the Webelos den leader. It is required that at least one leader be trained in Basic Adult Leader Outdoor Orientation (BALOO), which is in addition to basic training. At the den overnight campout, the Webelos den leader may be assisted by the assistant Webelos den leader and the Webelos den chief. Sometimes, additional leadership from a troop may join you. In most cases, Webelos Scouts are under the supervision of their own parent or guardian. If a parent or guardian cannot attend, the Scout's family should make arrangements for one of the other parents or another adult relative or friend to be a substitute at the campout. It's essential that each Webelos Scout is under the supervision of an adult and that every adult has a share of the responsibility for the campout. Follow all Youth Protection guidelines, including tenting policies and bathroom/shower policies. Webelos dens are encouraged to participate in joint overnight campouts with a troop that the den members plan on joining. However, a parent or guardian of each Webelos Scout should still attend. More details on planning Webelos den campouts may be found in the appendix to the Webelos Den Leader Guide and in the Cub Scout Leader Book.

Begin these requirements/this week's agenda:

- As a den Plan a campout or outdoor activity. You can meet briefly online and then break into smaller groups or families alone to brainstorm. Come back and share within the week or even the "meeting time."
- Who is looking up Leave No Trace and presenting? In buddies? Families? Different sections/parts of the code?
 - Due next Den meeting.
