

Shooting Star Award Nomination Form

Does your unit have an adult who stands out as a special volunteer? Is he or she always ready to lend a hand or take on another responsibility cheerfully and with out fuss? Are you the only person who realizes what an integral part of the program this volunteer is? The Shooting Star award is a way everyone can recognize how special this Scouter is. How about having your unit treat the nominee to the Recognition Dessert? Personally invite your Unit's Charter Partner Rep and other Scouters to attend this special presentation.

Nominations can only be submitted by registered Unit Leaders or Committee Chair. Limit is 3 nominations per unit per year. The Aurora District Key 3 can also nominate scouters for events done on the district level.

Each nominated Scouter will be presented with a Shooting Star Certificate and Pin at the Aurora District Recognition Night.
